*(Consider seeing this movie with family, friends or your small group. Our Fall Spiritual Growth Campaign will be based on the Christian relationship principles conveyed in the movie. Clips from the movie will be shown during worship during the Fall campaign.)*

**FIREPROOF** is a feature-length movie opening in theaters September 26. The action-packed love story about a firefighter, his wife...and a marriage worth rescuing will have audiences on the edge of their seats as the main character explores God's design for relationships and marriage.

Lt. Caleb Holt lives by the old firefighter's adage: Never leave your partner behind. Inside burning buildings, it's his natural instinct. In the cooling embers of his marriage, it's another story. After 7 years of marriage, Caleb and Catherine Holt have drifted so far apart that they are ready to move on without each other. As they prepare to enter divorce proceedings, Caleb's dad asks his son to try an experiment: **"The Love Dare"**.

While hoping **The Love Dare** has nothing to do with his parents' newfound faith, Caleb commits to the challenge. But can he attempt to love his wife while avoiding God's love for him? Will he be able to demonstrate love over and over again to a person that's no longer receptive to his love? Or is this just another marriage destined to go up in smoke.

**FIREPROOF** is the third feature film from Sherwood Pictures and the Kendrick Brothers—the creators of **FACING THE GIANTS**. Opening in theaters September 26, 2008, this new movie will have audiences of all ages laughing and crying as they are inspired by this story of perseverance and commitment.

**"Amazing! Action-packed, heartwarming and a great resource to help strengthen and affirm marriages!"**

– Dr. Gary Smalley, author of *Change Your Heart, Change Your Life*

**"Fireproof is going to do much more than entertain and stir hearts when it comes to movie theaters (this fall). This is a movie that will impact couples in a profound way for decades to come."**

– Dennis Rainey, President, FamilyLife

**"The clips I've seen thus far have gotten me excited about the potential of this film. First, to present the Gospel. Second, to give hope to struggling marriages. And third to say to those struggling with addictions that the cycle can be broken. I look forward to release date and then hearing stories of changed lives thereafter."**

– Bob Waliszewski, Director, Plugged In Department, Focus on the Family
